Aspiring Software Developer, recently completed develop coding course with CodeNation. Fully qualified cabinet maker. Experienced in customer facing situations, through a variety of retail positions. Reliable, dependable and with high levels of integrity. Quiet, level headed with good people skills, works well with others, either as a team member or leader. Enthusiastic, willing and looking to use and expand skills gained from college, retail and recent teaching work. Full UK Drivers Licence 0 points held since 20/05/2011, CRB/DBS checked.

Willing to relocate: Anywhere

Key Strengths:

- Enthusiastic, approachable, conscientious and hardworking
- Equally comfortable in a lead role, when working independently or as part of a team
- Strong customer service skills
- Good at developing and maintaining relationships at all levels
- Full UK driving license with no convictions.

Work Experience:

Logistics Manager / Driver – AWB Logistics (Jan 2022-Feb2022):

Self employed role organising, loading and delivering packages long distance over night all around the country.

Multi Drop Delivery Driver / Trainer - Euro Car Parts - Manchester (Sept 2019-Dec 2021):

My role involves collecting cash or a signature upon delivery of parts, planning routes and good time keeping as well as knowledge of the area and customer interaction. I was also given the responsibility of training new starters.

Trade Plate Driver - Expert Vehicle Logistics/BCA - Stockport (Sep 2017-Aug 2019):

Trade plate driver in a self-employed role collecting and delivering cars from businesses and customers around the UK My duties involve inspection of cars, explanation of controls to customers and handovers to customers and dealerships.

Delivery Driver - Dominos Hanley - Stoke-on-Trent (Oct 2015-Aug 2017):

My responsibilities at dominos involve grouping together and bagging up an order efficiently and quickly before clocking it out and driving to the destination. The job involved handling cash payments and customer service. Plus safe driving and good directional sense. Other than delivering the role involves cleaning the store and prepping boxes and food for future use. Part-time whilst at University.

Customer Assistant - Arrow Cars – (Oct 2014-Aug 2015):

Based at Manchester airport working in one of 3 offices, one at each terminal, booking taxis for customers and taking phone calls to pre-book taxis for return trips or future trips. The job involved interaction with customers taking card and cash payments and shift work.

Camp Counsellor - Camp Awosting – Connecticut – (Summer 2013,2014,2016,2018):

I taught wood working skills to 6-16 year old boys for 12 weeks in the summer of 2013, 2014, 2016 and 2018.

My duties include:

- Supervision of 6-16 children
- Responsible for the Health and Safety of the children at all times
- Developing lessons and mini-projects
- Teaching & coaching
- Cleaning my area in the cabin setting a good example for the children
- Cleaning my teaching area after every lesson

I really enjoyed the responsibility of teaching a lesson in a subject I am passionate about, joining in with the games and getting into the camp spirit and being a good role model for the children.

Customer Service Assistant – BP – (Mar 2014-Jun 2014):

Job Purpose: To provide an appropriate shopping environment and quality customer service to each customer that is Safe, Fast, Friendly, and Clean, in line with the company values of Safety, Respect, Excellence, Courage and One team, thereby maximizing the current and future sales opportunities.

Customer Assistant - Sainsburys Plc – (Oct 2013-Feb 2014):

My role at Sainsburys was working on the checkouts and trolley retrieval over the busy Christmas period.

Customer assistant Station News (2006 to 2013):

Part time on a Friday covering the shop and serving customers while the owner was at prayers.

Customer Assistant Tesco Sep (2010-Jan 2011): Christmas Temp

Paperboy Station News (Apr 2006-Jun 2010):
